

## F. Parts List

| Ref. No.                     | Designation                                     | R & S Stock No.                             |
|------------------------------|---|---|
| Ba 1 . . . 3<br>Ba 4 . . . 6 | Dry cells 1.5 V }<br>Dry cells 1.5 V } BA 20023 | e. g. Pertrix No. 244 or<br>Daimon No. 1298 |
| Bu 1                         | Transistor socket                               | 2522-103                                    |
| Bu 2                         | Transistor socket                               | 2522-104                                    |
| C 1                          | Capacitor, ceramic                              | CCG 55/5                                    |
| C 2                          | Capacitor, plastic foil                         | CKD 44216 p 47                              |
| C 3                          | Capacitor, plastic foil                         | CKD 44216 p 100                             |
| C 4                          | Capacitor, plastic foil                         | CKD 44216 p 220                             |
| C 5                          | Capacitor, plastic foil                         | CKD 44216 p 330                             |
| C 6                          | Capacitor, ceramic                              | CCG 55/15                                   |
| C 7                          | Capacitor, plastic foil                         | CKD 44216 p 100                             |
| C 8                          | Capacitor, plastic foil                         | CKD 44216 n 1                               |
| C 9                          | Capacitor, plastic foil                         | CKD 44216 n 2.2                             |
| C 10                         | Capacitor, plastic foil                         | CKD 44216 n 4.7                             |
| C 11                         | Capacitor, metallized plastic foil              | 2523-104                                    |
| C 12                         | Capacitor, metallized plastic foil              | 2523-104                                    |
| C 13                         | Capacitor, metallized plastic foil              | 2523-104                                    |
| C 14                         | Capacitor, metallized plastic foil              | 2523-104                                    |

|    |    |    |   |   |   |      |     |       |
